

EMPLOYMENT OPPORTUNITY

Job Title: Marketing Strategy Expert

Stations: Lite Rock 95.9, Rock 93-7, 106-9 Kicks Country, News Talk 94.1

Job Description:

Stonecom Radio is growing. You can be a part of our team as we prepare to add several new radio stations to our portfolio this summer.

We are looking for a **MARKETING STRATEGY EXPERT** to work one-on-one with one of the region's top marketing experts, a Tennessee Tech grad himself.

Are you excited about the chance to learn the radio, digital, and marketing business? Are you a go-getter? Do you work fast in a team environment? Are you able to multi-task? Enjoy meeting new people every day? Love to see businesses grow and prosper – thanks to your ideas and input?

If this is you, we want you on our team. If you just want a job, call someone else.

This is the first step in a true career – could be with us or could serve as the groundwork for a big step in three to four years. You will work with an amazing team of broadcast professionals who will provide you outstanding training and leadership.

Self motivation, organization and attention to detail are critical. An understanding of basic marketing is important. You must have excellent communication skills and an ability to consistently meet deadlines. Caring and passion about your job, the company you work for, and the companies you serve is critical. Be outgoing and fun!

This position includes salary plus benefits – and the chance to earn commission.

Job Requirements:

A prospective Stonecom Marketing Assistant must:

- Be an outgoing individual who is able to interact with others well.
- Be able to work well with others and recommend solutions.
- Be able to adapt in situations and problem solve.
- Be able to consistently meet deadlines.
- Have a good speaking voice and an ability to communicate with partners.
- Be dedicated, energetic, and have a positive personality.

Application Process:

Candidates should submit resume and cover letter by May 10, 2021, to:
